As I walk through
this darkness,

I can feel countless
fragments flowing
through my hands.

A dream—?
Yes, I could call
this a dream...

The time that
has elapsed,

events that
have gone past...

everything
that I want,

and everything that
I do not want...

The thing...

that allows me to stay who I am...

...for a while
now she hasn't
had the nerve to eat,
sleep, walk, nor
touch her nails...

It's certainly
difficult to
call her a normal
human...

This is...?

The next time you
get a hold of a dragon
artifact, why don't you
absorb its power...

and remove
the binding on
her neck...?

I can't do that.

It's "his" voice...

That time in Dorton,
at that place. .

when I was still—
so far away.

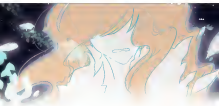

And..

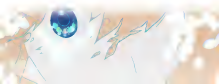

It's hard for us
to proceed when
she's like this.

We can only
wait until she wakes
up by herself.

I remember.

...and the end...

Where am I?

I can't move
my body

...I have no memory
of this place.

—Window!

Starting with my
fingers, slowly...

Slowly...

FLUTTER

THUD!

My voice won't
come out

There's something
around my neck

Kairak!!

STOP

...Even so, we
can't carry a corpse
around, can we?

She's still
breathing, so
she's alive.

Exactly. That's
what's causing
the rumors.

...

Ami

They're saying that
you're being kidnapped an
unconscious lady...

Huh...!!

Now that rumor
about me carrying
a "corpse" around
should disappear

That's not the
problem...

Where's
Kaurak...?

Dadan—
Mama...

Vooo...

Where is
everyone?

And where am I?

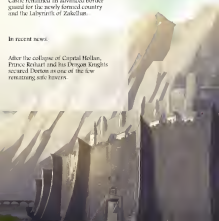

Dorton Castle, the last fortress constructed during the War of Independence, is renowned for remaining unscathed despite numerous assaults. Its impenetrable walls were built by none other than Count Stravin, who is said to have raised them in a single night.

Moving the command infrastructure to Dorton was the turning point in the War of Independence. Even after victory was achieved, Dorton Castle remained an advanced border guard for the newly formed country and the Labyrinth of Rebellion.

In recent news,

After the collapse of Capital Helion, Prince Rehart and his Dragon Knights secured Dorton as one of the few remaining safe havens.

A dark, atmospheric photograph of a snowy landscape. In the foreground, a bare, dark tree branch hangs down from the top right corner. The background is a soft, out-of-focus expanse of white snow under a dark, overcast sky. The overall mood is quiet and somber.

It begins now.
